October Calendar 8

Welcome back students and staff for another exciting year at Clatsop Community College! With all that has been going on in our Great Nation, it is hard to even think of concentrating properly on getting on with the business of life. The people in New York, Washington D.C., Pennsylvania as well as the rest of the country have suffered a terrible loss. Not only the thousands of people who's lives were taken, the hundreds more who gave theirs to save others, but also the loss of a feeling we have long had the luxury of knowing. I am, of course, speaking of the sense of peace we have for so long taken for granted. We are all to often now reminded of the many great empires that have come and gone in the past. They too took for granted what they thought could never end. This has been, if nothing else, a humbling ex-

perience for each and every American. What we thought could absolutely never happened has and is. Now the question remains what to do about it all? The very best thing you can do to fight terrorism is to refuse to be afraid! America is and will continue to fight back and rid the world of this disease! What you can do for your country is to continue getting the wonderful education you are so privileged to have, so that when issues of this nature arise we will be better equipped to handle it! Stand proud and stand together CCC Students!

**These Colors Don't RUN!**

## Meet the New ASBG of 2001-2002!

### Anita Robertson: President

I am now known as "Mom Prez" to my kids. This is my 3rd term serving ASBG. I feel that returning to school this late in life I want to experience the whole college bit! I am the whip cracker of this crew! I am studying at CCC to obtain my AAOT and CAD certificate. When all is said and done with that I plan to own her own furniture/home accessories design business. Other future plans are to drive a plum purple P.T. Cruiser with yellow flames and suicide doors, wear flashy jewelry, beach my hair blond till I die, get rich, and die without leaving a will so that my kids will have something to fight over! I have finally learned the true meaning of "I do what I want to do!"

Anita's favorite personal quote is: "Puddin' tame~ Ask me again and I'll tell you the same!"

### John Guppy: Vice President

Hello Everyone! This is my second year being involved in ASBG. I grew up here in the Great Northwest in the Portland area and graduated from Aloha High School in 1992. The U.S. Marine Corps took up 4 1/2 years of my life after high school and then I worked at Ecola Bible School in Cannon Beach for two good, fun years. (what a change!) Last year I started studying for the Associate of Arts Oregon Transfer degree. I'm planning to transfer to Seattle Pacific University next year. I am pretty sure I want to be a science major, but I haven't totally made up my mind yet! (sound familiar to anyone?) This year, along with the other ASBG officers, I hope to be a voice to represent our student body well. We have some fun activities planned also throughout the year. Have a nice day and See you around!

John's personal favorite quote: "Never let school get in the way of a kids education" -Dad

### Holly Phillips: Treasurer

Holly Phillips of Seaside Oregon.

In the ASBG I hold the position of Treasurer. I have been in the ASBG since Winter of 2000. I decided to join because I wanted to get involved with the school and to help the students get what they need. I'm in my first year of the Medical Assistant program. I hope to graduate in the Spring of 2003 and find a job in the local area.

Holly's personal favorite quote: "Two tears in a bucket, I say pluck it!"

## John Valet: Sports and Clubs Coordinator

John is the man to see for clubs, sports equipment , or locker rentals! He comes to Clatsop from Newport, OR and has been with ASBG for 1 year now in hopes to become more involved with his school and community. When asked about his plans for the future John's comment was " I try not to plan for the future. I like to just see what happens. Besides, if you believe in fate & destiny then it would be absurd to think that we can determine our future." John hopes to earn a degree in Astrology, maybe numerology (this school currently doesn't offer degree's in these areas!).

John's personal favorite quote is: "Life is what happens while you're busy making other plans"

## Lisa Keliher: Co-Activities Coordinator

Lisa Michelle Keliher of Seaside, Oregon has been with ASBG for 2 terms now. She joined student government for the experience, the fun and the involvement. This year Lisa is heading the Fall and Winter Barbeque's, Halloween festivities, and either a dance or a luau. Her educational goals are to first earn an AA in General Studies and then perhaps a degree in Hospitality and Tourism Business Management. Her long term hopes and dreams are what she says everyone else wants: Fame, Fortune and LOTS OF MONEY!

Lisa's personal favorite quote is: "ABLADABLADAYABA...TI M-MAY!"

## Carrie Barrett: Co-Activities Coordinator

Carrie Ann Barrett of Seaside, Oregon has been with ASBG for one year. She first joined because she loves to plan activities! Her personal projects for this year are the Head-start Christmas tree and the Valentines Day balloon sales. Carrie is seeking her AAOT here at Clatsop and possibly transferring to Southern Oregon to study festival management. This summer she was able to score an awesome opportunity interning at the Rose Gardens in Portland as head of activities! Go Carrie!

Carrie's personal quote is: "Absolutely"

## Savannah Reeves: Student Publications

Hello 2001-2002 Clatsop Student Body! My name is Savannah Reeves of Knappa, OR. I am the new Senator of Student Publications, meaning that I write The Bandit for you all to enjoy! This is my first year and term in ASBG. I wanted to join for a number of reasons; leadership skills, writing experience, and also to represent the many single mothers who have gone back to school later in life to earn their degree's. This year for the most part I am heading the project of anything that needs to be covered in The Bandit, making sure the bulletin board displays are clean and up to date and typing up any new forms that ASBG needs. I am seeking an AAOT and have absolutely no idea where I will transfer for my Bachelors when I finish this! Some of my lifelong goals are to sing the national anthem at the world series, study volcano's in Hawaii and New Zealand, live in Italy & Greece studying Classical Anthropology, and of course be rich, beautiful and famous! Lets not forget one of my ultimate goals to win the Pulitzer Prize! ( oh yes, it will be mine!)

Savannah's personal favorite quote: " YANKEE PRIDE WILL NEVER DIE!"

## A few words from Lois Tivey Assistant to the Dean of Student Services

The Associated Student Body Government (ASBG) has elected a dedicated, energetic group of individuals. These students are going to do a great job for the student body this year. It is my pleasure to work closely with the officers, providing encouragement and guidance in helping them develop their leader-

*Todd Norman*, a Writing 123 student, recently had his research essay accepted for publication by Cumtux, which is the Clatsop County Historical Society publication. This is a real honor, especially for an undergraduate! His essay is all about Typhoon Frieda.

Please congratulate him if you see him!

*Todd is a very fine writer, capable of pursuing a career in writing! ~ Julie Brown*

### **News From LIT and United Way!**

2001 United Way of Clatsop County Campaign is now underway! The Lives in Transition (LIT) program at Clatsop Community College (CCC) is one of the 16 local United Way recipient agencies. That means that each year a percentage of the dollars collected in the Clatsop County goes to help students in LIT with the cost of transportation and child care to come to the LIT class.

This is one way that CCC recruits students and assists single parents, displaced homemakers and dislocated workers reach economic self-sufficiency.

If you would like to contribute and have not been contacted, there are forms in the ASBG office. Keep checking for information soon about a donors drawing for prizes that are way cool!

### **Don't WAIT 'til it's too late!**

We have been able to set a date with Legacy Visiting Nurse Assoc. To administer the flu injections for fall 2001!

**PLEASE MARK THE FOLLOWING DATE ON YOUR CALENDER:**

\$15 per flu shot!

**Thursday, November 1, 2001**

**10:00 a.m.-11:30 a.m.**

**Patriot Room 326**

Regence Blue Cross/ Blue  
Shield accepted!

The association assures us this year that there is plenty of serum. According to the Centers for Disease Control and Prevention (CDC), it is estimated that during most flu season, approximately 10 to 20 percent of the population is infected with influenza. In addition, one study of healthy working adults has shown that those who receive the vaccine had 25% fewer respiratory infections, 43% fewer sick days, and 44% fewer physician visits for respiratory illnesses.

All Staff, full-time faculty, part-time faculty, part-time temps, and students are welcome!

## The Spider

*By, Anthony DiDonato*

Lying in a tranquil state, I stare off into space.

I notice you hiding there in your web of lace.

Invisible to all but you, it holds you in your place.

While you hang there staring, too, almost face to face.

In suspended animation, you make neither move nor sound.

And I just stay there, a mirror of you, lying on the ground.

You seem so peaceful hanging there in the web you have  
wound.

You have a quiet, soft sincerity, which I have not yet found.

Jealous yes, I may be, while you live without a care.

Waiting for your daily meal, to find your hidden snare.

How long, I wonder, will you wait? It would seem your meals  
are rare.

To me it seems a small price to pay, to live so unaware.
